

Michael Rodriguez

Senior Captain – Boeing 777/787 (International Long-Haul)

Location:	Denver, Colorado, USA
Email:	michael.rodriguez@demoaviation.com
Phone:	+1 (720) 555-4428

Professional Summary

Michael Rodriguez is a highly experienced Airline Transport Pilot (ATP) with more than 11,300 total flight hours. He holds advanced type ratings on both the Boeing 777 and Boeing 787, along with Multi-Engine Land (MEL) and Instrument privileges. With 15 years of experience at United Airlines, Michael has specialized in long-haul international operations across transpacific and transatlantic routes. Known for his precision, leadership, and safety-first mindset, he excels in decision-making under high-pressure environments and is open to relocation for senior captain opportunities.
